

GO YOUR OWN WAY, RIDE TO A NEW RHYTHM

Some people ride with the herd. But not everyone. Some people are confident enough in themselves to go their own way and ride to a different rhythm, the soul-shaking rhythm of the Kodo drum. Discover a new kind of power, a new kind of cool with the MT-01 and MT-03, and choose your accessories from our MT Components range to explore your own ways even further.

MT-01

MT-01 - TORQUE LIKE A HAMMER, HANDLES LIKE A SPORTS BIKE

With your MT-01 you've got a sports riding revolution, a whole new style of riding for a whole new wave of riding sensations. There really is nothing like the MT-01. And cult bikes like the MT-01 tend to inspire owners to work their own magic with trick modifications. And that's where our official MT Components come in, with this year also an MT-05 café racer fairing kit. On the following pages you will find all about them.

1 Sport Screen TÜV NORD
Touring screen for more riding comfort. TÜV-approved.

5YU-W0786-00-00

7 MT Performance Grip End Set

Anodised Alloy, saves weight and increase feedback. Suitable until model year 2006.
5YU-W0791-00-00

MT PERFORMANCE STYLING

To make your MT-01 look even more radical we've created a range of easy-to-fit styling accessories, including fly screen and carbon-fibre air intake scoops. And if you're planning to personalise your MT-01 to the max, you'll be wanting the single-seat kit and carbon heat shields that fit with the exhausts available from our official Yamaha tuning kits.

STAGE 1

This easy-to-fit, street-legal titanium Akrapovič muffler kit makes your MT-01 sound better, look better and feel better. Fit it in conjunction with carbon heat shields and single-seat kit.

1 Stage I Slip On Muffler Kit

MT-Style double mufflers manufactured by Akrapovič.
EU2-Approved with catalysers, suitable for MT-01 <2007.
5YU-W0750-10-00
EU3-Approved with catalysers, suitable for MT-01 >2007.
5YK-W0750-11-00

2 Muffler Ring Stage I

Enables dual seat in combination with slip-on mufflers.
5YU-W0740-55-00

3 Carbon Muffler Heat Shield

Left & right carbon fiber heat shield set for slip-on and full exhaust kit.
Required to fit stage I, II or III.
5YU-W0740-00-00

5 Carbon Air Intake Kit

Carbon fiber enlarged air intake set.
5YU-W0796-00-00

4 Single Seat Kit

Sporty mono seat complete with carbon tail cover. Should be combined with Carbon Muffler Heat Shields and Muffler Kit. Passenger seating not possible.
5YU-W0771-00-00

MT-Series

MT-01

STAGE 2

Okay, now it's time to get serious. Stage 2 accessories feature a revised ECU, plus a full-titanium Akrapovič exhaust system that increases power, reduces weight and emits a race exhaust note. The full exhaust system must be fitted with the carbon heat shields and single-seat kit.

MT PERFORMANCE - TUNING ACCESSORIES

You own an extreme motorcycle, so it's only natural that you're going to want to make it even more extreme. That's what our factory-developed MT Performance Stage 2 and Stage 3 gear is for - to unleash serious extra performance from the big V-twin Torque Sports machine. Stage 2 and Stage 3 MT Performance accessories are for track use only.

1 Stage II Performance Kit
FOR RACING/TRACK USE ONLY!
Exciting sound, extreme appearance
combined with improved torque.

Kit contains:

- Stage 2 ECU.
- Full Titanium exhaust by Akrapovič.

5YU-W0750-20-00

Stage 2 and stage 3 MT Performance Tuning Accessories featured in this catalogue are for track use only and are sold without warranty. This does not affect your statutory rights.

MT-Series

MT-01

STAGE 3*

Want to take your MT-01 to the extreme? That's what the Stage 3 kit is for - get high-compression pistons, camshafts, velocity stacks, special clutch and valve springs and gaskets. All these parts contribute to increased power and torque when used with the also included Stage 3 ECU and full-titanium Akrapovič exhaust. The full exhaust system must be fitted with the carbon heat shields and single-seat kit.

* Stage 3 engine parts require installation by a skilled mechanic.

Stage 2 and stage 3 MT Performance Tuning Accessories featured in this catalogue are for track use only and are sold without warranty. This does not affect your statutory rights.

1 Stage III Performance Kit
FOR RACING/TRACK USE ONLY!
Extreme sound, extreme appearance with maximised sporty torque settings. For experienced riders only!

Kit contains:

- Stage 3 ECU.
- Velocity stack kit.
- Valve spring set.
- Performance clutch spring.
- Gasket kit.
- High compression piston kit.
- Performance camshafts.
- Full Titanium exhaust by Akrapovič.

5YU-W0750-30-00
