

THE WORD ON THE STREET IS YAMAHA STYLE

Street bikes are special motorcycles because they get woven into the fabric of your everyday life. This isn't some weekend warrior deal, you're out and about all the time, so you need top-grade accessories and the kind of riding gear that works just as well when you're on your bike or hanging out. And nothing works quite as well as genuine Yamaha accessories and street riding apparel – tough, hard-wearing and effortlessly cool. Choose from a wide selection of bolt-on accessories that'll boost your Yamaha street bike.

YBR250 – EFFICIENT MEANS FUN IN OUR LANGUAGE

Our designers made the YBR350 fun, stylish and easy to ride. But they didn't stop there. They wanted to create a motorcycle that would make your life easier and added some accessories to increase the carrying capacity.

**FZ6 FAZER S2
- WHATEVER YOU
WANT, WHENEVER
YOU WANT**

You don't do the same thing every day of your life, so why would you want a motorcycle that's only designed to do one thing? You need a motorcycle with a design brief as varied and diverse as your lifestyle. That's the FZ6 Fazer S2 - do your usual stuff Monday to Friday, then when you need to get away, no need to make plans, just strap on a kitbag and away you go. The FZ6 Fazer S2 can do it all and our line of accessories is designed to accommodate to this lifestyle even more.

FZI Fazer

**FAZER 1000
- ALL-OUT
PERFORMANCE,
ALL-ROUND
VERSATILITY**

Leaning through the left-hander you can feel the Fazer 1000 doing exactly what you tell it to do. In fact you're enjoying yourself so much that one day you'll find your little weekend trips becoming big weekend trips, and then those long weekenders turn into unforgettable continental touring holidays that last a whole fortnight! That's when you may decide you need some grand turismo gear all available separately and all created for added long-distance comfort and convenience.
