XT660R - ADVENTURE IS ONLY A SHORT DISTANCE AWAY

The XT660R is the tough, relentless, high-spec all-rounder that riders the world over trust. Because it's tall, slim and light that means the XT is great to explore on, but still built to survive just about everything that's thrown at it and our accessories are designed enhance that feeling with every mile you ride.

XT660Z TÉNÉRÉ THE ART OF ADVENTURE

Yamaha's art of engineering philosophy means every interface between rider and machine has been perfected. So, you can go hard, and go long. The Ténéré name stands for adventure, for handling, poise and power to blaze trails and the build quality true two-wheeled adventurers demand. The styling is fresh, clever but above all resilient. The whole package is built to take punishment not pass it on. And when your adventures demand even more there are Yamaha's official range of Ténéré accessories, built to the same no compromise standards.
