2015

09.04.2015

This year the Movistar Yamaha Factory MotoGP race team will be dressed by DESCENTE and we at YME have the privilege to stock this authentic team wear. DESCENTE is a Brand of Excellence and this is their story and philosophy.

Their Story:

Founded in 1935 in Osaka, Japan, Descente pioneered the development and manufacturing of high performance technical fabric for active sportswear. Making its move into skiwear in 1957, the Descente brand has led the industry innovations and was a key factor in progressing the sport of skiing. Today, Descente continues to push the envelope with exceptional workmanship, quality and attention to detail, beautiful palettes, breathtaking finishes and luxurious accouterments.

Their Philosophy

At Descente the philosophy of excellence in craftsmanship is sustained by everyone from the point of a product's inception, to the moment an athlete puts it into action. Behind every Descente product is a rich history of groundbreaking design and production techniques fused with the skills and life experiences of true artisans.

A spirit of care and superiority is infused into every fiber to final product.
